

Leonberger Club of Canada 2014 Annual Report

The LCC presently has 48 members. It has been a fairly quiet year, with our biggest accomplishment being a revision of our breed standard. Using the FCI original standard as our base to build from, our *new* standard provides a much clearer description of what a Leonberger should be.

We will be holding our 2nd National Specialty event in 2015. Our confirmed date for the event is June 7th 2015. The Leonberger Club of Ontario will be holding their first Regional Specialty event on the 6th of June. Both specialty events will be held with Erie Shores All Breed shows.

In 2013 there were 23 litters registered with the *Canadian Kennel Club*. A total of 160 dogs were registered.

On September 7th, the LCC hosted an All-Breed Temperament Test, with 4 Leonberger's being awarded the title of TT.

Leonberger's in Canada are getting involved in a wide variety of disciplines including Obedience, Rally Obedience, Draft, Herding Instinct, Tracking, Dock Diving and Water Rescue. We even have one Leo taking part in Barn Hunts. They are truly a versatile working breed. In the conformation ring, a female Leonberger earned the first Grand Championship title awarded to a Leonberger.
