

CLUB ITALIANO DEL LEONBERGER

## Activity Up-dating 2014

There were no changes in the regular activity of the club. The atmosphere has been rather serene and relaxed. The number of the members has been substantially unchanged and the assistance of the Italian Kennel Club, as well as our mutual cooperation, has been fully satisfactorily. Members has been fully informed about the ILU action especially on the progresses on health and preservation of our beloved breed.

The next Club Show social will be organized on May 2nd and 3rd in Volta Mantovana (close to the historical city of Mantova, in the center of north of Italy). The invited Judge is Mr. Denis Vernon, President of the CFL.

The traditional **Millennium Award 2015** will be delivered to Mrs. Francisca Baars and Charlotte Hviid, New Zealand, with the following statement:

***“To Francisca Baars and Charlotte Hviid: true pioneers of our beloved breed. They made a great job to bring and promote the Leonberger in a safe and proper contest in New Zealand, on the other side of the world”.***
