

Svenska Leonbergerklubben

PRESENTATION FROM THE SWEDISH LEONBERGER CLUB

The clubs board was changed at the general meeting in 22/3. So we are all new at our positions. It will take some time for the new board to get all versed in the commitments of the club. But we do our best. The club had at the end of August 815 members

The Swedish kennel club has decided to accept our revision on RAS (Breeding strategies). The new document are valid from 1/1 2015 until 31/12 2019 The goal for the next five years is. To broaden the genetic base and the genetic variation within the breed. That the breed's average inbreeding does not exceed 2.5% based on five generation pedigree. The document is available at our website www.slbk.com Since the founding of LPN2 was made after the revision of RAS. We have asked The Swedish Kennel club to accept that to be written in as well.

During 2013 45 Litters were born in Sweden with a total of 258 puppies.

During 2013 295 Leonbergers were registered in at the Swedish Kennel club.

The club has arranged five special shows during this year. And one annual show in Skutskär for all breeds. The winners in the specials this year has been.
